Welcoming **A**ttitudes add **V**alue to **E**veryone with **S**ynergy

Meet Suni! **PLAYER PROFILE**

Suneeta (or Suni) is founder, player and executive director of Whatcom WAVES. She is dedicated to empowering women especially of color, to continue being active by playing sports into adulthood. Suni is a coach, educator and recent founder of the FIRST and ONLY community land trust out of HEMP to decarbonize our built environment, “North West Living and Learning Community Collaborative” ([www.nwllcc.com](http://www.nwllcc.com)). Suni loves being outside in the garden, working with her husband as well as giving love to those that need it by showing up and helping out. Her biggest hope and dream is to have Whatcom WAVES soccer indoor soccer team to have their own FIELD! Please join her vision by advocating, donating or participating in being a WAVES member!
